Keep your hands and feet to yourself.

4. 

When someone else is talking, listen.

5. 

No matter what, keep trying.

6.  

Always keep your eyes on your own work.

7.  

The gadgets can wait until class is over.

8.  

Raise your hand to talk or leave your seat.

9.  

Before you speak, ask yourself, "Is it kind?"

10.  

The custodian's job is to keep the school, not to clean up after you.
